TABLE OF CONTENTS

2013 issue 03 **RightStuf?**

As I warm by the fire, I'm struck by the fact that there's no time of year I like better than right now. Leaves are undergoing their colorful yearly change, eggnog is on the store shelves and there's a snap of crispness in the air triggering nostalgic memories of yesteryear.

Speaking of yesteryear, the second set of *Princess Knight* was recently released, bringing all 52 episodes of this classic series back to fans for the first time in more than forty years! I'm excited we could restore this piece of history for you to enjoy.

As always, we've been working around the clock to bring you some of the very best anime and manga entertainment. There are a few things I'm particularly excited about this season. They start with the release of *Mobile Suit Gundam Unicorn*! In association with our partners at Sunrise, *Gundam Unicorn* Parts 1 and 2 are available now, and the response has been overwhelming! This fall's release of Part 3 will be the first time these OVAs have ever been available on DVD in America – What is Laplace's Box and who will end up as its inheritor... the Earth Federation or Neo Zeon? Part 4, the conclusion of the series, is coming in 2014.

We're repackaging some of our great catalog titles, including *ARIA*, *Tylor*, *Maria Watches Over Us*, and *Ninja Nonsense*, into new, lower cost versions. The Limited Edition versions will still be available, but only while supplies last. It's a perfect time to pick up these amazing titles if you haven't seen them yet (and they make great holiday gifts too!).

We announced some great acquisitions we're working on for release in 2014! *Cat's Eye*, *Blessing of the Campanella*, *Space Adventure Cobra* and *Sengoku Collection* are all in the works for the coming year. And, of course, there are more in store yet to come.

If you're the instant-gratification type, you'll be pleased to know that we have more available streaming episodes now than ever before! Visit us on YouTube (user: nozomient) to check out hundreds of episodes for your viewing pleasure (and don't forget to subscribe while you're there). Also on the electronic media frontier, like us on Facebook and follow us on Twitter – never miss out on the latest breaking news and specials again!

As always, it's been a pleasure to serve you, an important part of our extended family of anime and manga fans. During this special time of year, I personally want to thank you for your support – it's you who makes my job worthwhile! Best wishes to you and yours, and have a safe and happy holiday season.

Best,

Shawne Kleckner

This fall, Nozomi Entertainment will begin re-releasing *ARIA*, the beautiful tale of 15-year-old Akari Mizunashi's journey to achieve her dream of becoming an "undine" — a female gondolier in the beautiful city of Neo-Venezia. To celebrate this new edition of the series, we're proud to present an excerpt from an interview conducted in 2007 with Director Junichi Sato and Director Yoshimasa Hiraike.

Tell us about your positions as directors.

Sato: It depends on the series, but I prefer to pass down my responsibilities to other people. (Laughs.) Before I do that, I always create a base for them to work on so they don't get confused or lost, though. Once they're given their tasks, I oversee their progress so that they don't stray too far from what I had in mind. However, it's important to give them some creative leeway. That's because if I'm too stringent and it doesn't turn out the way I want it, they'd just tell me to do it myself. (Laughs.)

Hiraike: I think one of the most amazing things about Sato as a director, is that once he gives a task to someone, he's able to let them have ownership over it until the very end.

Sato: I think that's because of my time at Toei Animation. At Toei, each series has a director, but every screenwriter also creates the episode as if they are the director. When you do that, there's a possibility that the characters' personalities can differ slightly from episode to episode. We were aware of that risk, but the strong consensus at Toei was that the screenwriters could handle everything themselves.

Hiraike: I think that approach is very unusual compared to other production companies. Usually, directors are very hands-on. In Sato's case, he's hands-off, but still hands-on enough to give direction and guidance. I guess both methods have their pros and cons.

Sato: Toei always had a system where the producer took on many of the responsibilities. Once the producer and the head writer finalized the framework, they'd discuss who the director should be. That's why at Toei, it was mostly the producer who was responsible for script content. When I left Toei, I was shocked. I thought, "The director has to do all that, too?!" (Laughs.)

What was your vision for the screenplay?

Sato: Whenever I'm the screenwriter, this is how I approach it. First, the director creates a story that best embodies the core concept of the project. Then, as the director's right hand man for that episode, I do my best to get it as close to that director's vision as possible. This applies to both original shows, and shows based on manga. My goal is to deliver an episode where people think the director worked on it him or herself. In that sense, it's easier to work with directors who have a clearly defined style, such as Hideaki Anno and Yoshiyuki Tomino. On the other hand, when I'm the director, I'm very conscious about providing something that the screenwriter can experiment with, but only if the show we're working on allows for it. If I'm told, "This is how I'd like the series to be," I try to respect that vision as much as possible.

Hiraike: Unlike Sato, I don't have a clearly defined vision as a screenwriter yet. For example, with *ARIA*, first I tried to get a sense of what Sato wanted to express, and I challenged myself to create something within that framework to the best of my abilities. I believe it's a learning experience that will make me better as a screenwriter. I'd be getting ahead of myself by calling myself the director's right-hand man, like Sato. (Laughs.)

Did you feel the screenplay for *ARIA* was unique?

Hiraike: When I was working on the screenplay, one of the biggest elements was the music. Anime is two dimensional, but I felt the music made *ARIA* three-dimensional. And that's exactly why there's so much depth to the series. If there's ever another season of *Sketchbook*, I definitely want to try doing something similar with the soundtrack. And after it's done, I'd like to go out for drinks with Sato and ask him if I was successful or not. (Laughs.)

Sato: No comment. (Laughs.)

Hiraike: Ehh? (Laughs.)

Sato: (Laughs.) He's right, though. I was convinced from the start that music would play an especially important role in *ARIA*. You know how the impression of a picture can completely change with music, right? Well, I guess that's a given, but that's exactly why there's music playing in so many scenes. Even the simplest scenes have music playing in the background.

Hiraike: You're always really conscious about music in your shows, right?

Sato: No show is complete without music, so I think it's normal to be conscious about it. But a show like *ARIA* is rare, because I had to view the music as "part of the picture."

Hiraike: It's just my opinion, but I think there aren't many directors like Sato, who are conscious about how sound is incorporated into the picture. The same goes for *Kaleido Star*. You let me handle the editing, but you were always there for anything sound related. Most directors do the editing themselves and leave the recording sessions to the Sound Director, so your style is kind of unusual. I think Sato does this, not because he doesn't trust the Sound Director, but because he places so much emphasis on sound when creating a show.

Sato: My thought process is that each part — scripting, storyboarding, drawing, recording — are all moving forward toward the final editing process of adding the sound effects and voiceovers. Once the sound is added the episode is complete, so I get really nervous if I'm not there during the recording and sound editing sessions. I'm like "What's going on?!" (Laughs.) Also, I've actually grown accustomed to playing music while storyboarding. If there's a song I want to use, I check the length of the song and figure out how many seconds into the song the chorus is. Then I build up the storyboard to the chorus, and edit it so it matches. It feels great when it all comes together. (Laughs.) Once you do this you can't go back.

Hiraike: You mean you construct the scene based on the song?

Sato: Yeah.

Hiraike: I can't even fathom doing that. When I worked on the screenplay for *ARIA The NATURAL*, I was really conscious about the pacing.

Sato: Yeah, you kind of second guess yourself at first. I remember Shigeru Nishikawa, the Editor, looking really worried during the editing sessions. (Laughs.) He said, "Are you sure you want them staying still for eight seconds?!" (Laughs.)

Hiraike: Yeah, the show practically moves at the same pace as Akari.

Sato: Exactly. It's really dangerous to carry that over into other shows though. (Laughs.) We have to be careful about that.

Hiraike: True, depending on the show people might throw a fit! (Laughs.)

Sato: I don't want people to misinterpret me, but the events in *ARIA* are only a means to show off the characters. The most important part of the show is the emotion and feelings it evokes. The quality of the episode is contingent on how well

those two factors are expressed; the story is just a tool to achieve that. Under normal circumstances, you wouldn't think that would work for a thirty minute anime, but the manga pulls it off wonderfully, so I had no choice but to believe in it and do it.

What is *ARIA*'s position as a series?

Sato: I'm sure it's changed slightly over time, but I don't have anything precisely in mind. The first season, *ARIA The ANIMATION*, was thirteen episodes long, and I wanted to try a lot of things differently. For instance, I wanted to try being both the director and the series supervisor. I only wanted to use voice actors who I had already worked with, which I don't normally do, and I wanted to place a lot of importance on how the music mixed with the footage, which I mentioned earlier. It all came together so well that when it was over, I still wanted to do more, and that's how season two, *ARIA The NATURAL*, took off.

What's the relationship between Supervisor and Director like?

Hiraike: Luckily, there were a lot of important things I had to take care of, so I didn't have the mental bandwidth to worry about what Sato thought as the Supervisor for *Sketchbook*. (Laughs.) I just worked on it, figuring he'd say something if he had a problem. Come to think of it, I doubt Sato would help me if I was stumbling. If I were about to break a bone, then maybe he'd help me?

Sato: Nope, after you broke your bone I'd say, "I knew you'd break a bone." (Laughs.)

Hiraike: (Laughs.) But I think that works, too. If he helped me while I was stumbling, it'd be good for the project, but I wouldn't grow as a director. Even if I stumble and fall, the most important thing is to get up on my own and follow through with the project as my own work. Sato has created a brilliant anime adaptation of *ARIA*. I want to do the same thing he did with my adaptation of *Sketchbook*.

Sato: In general, I try to keep quiet and be hands off, or else the director won't feel like they have ownership. Regardless of how it turns out, as a director you need to feel like you did everything you could.

"There are many things that are dear to me in the *ARIA* series. The dialog, the art, the songs, the music... I hope each of these things I hold dear turn into many more little moments of happiness, and reach even more people."

live on. Perhaps it's not so surprising then that among Seikyuu's many clubs is one for students interested in "paranormal investigations." What might raise more than a few hairs, however, is that the founder of the club is the ghost herself. Unable to remember how she died, Yuko latches onto Teiichi, a freshman who can inexplicably see her. Together they and the other members of the club begin to unravel the dark mysteries that surround Seikyuu.

There's a new affliction going around, and the name of this peculiar bug is emotion sickness. As in, suddenly your emotions jump out of your body and attack someone else! Needless to say, that's more than simply awkward if you've got a deep-rooted phobia like a fear of men or repressed emotions that you're hiding, but in some situations it can literally be deadly! What is Heartseard up to this time, and why is he making our heroes involuntarily share their innermost dirty laundry?

LA STORIA DELLA ARCANA FAMIGLIA

Things are NOT going well for Felicia. For years, the island of Regalo has been protected by her father's "organization," the Arcana Tarocco. The organization's success is due in no small part to the members' unusual skills with Tarot Cards, not to mention their more usual guns and knives. But now her father has decided to retire and, while the fact that his position will be filled by the winner of a series of duels doesn't worry her, the fact that he's decided to throw HER in as part of the prize certainly does. Fortunately, she has two aces up her sleeve: as the head of the Swords Division, she's eligible to compete for herself; and with her favored Card, The Lovers, she can snoop into the minds of her would-be suitors-cum-rivals. It's just too bad they have their own card tricks!

LITTLE BUSTERS!

When tragedy struck Riki Naoe as a child, he was rescued from grief when four other kids "recruited" him for their group, the "Little Busters." Now in high school, Riki and the other Busters are still fast friends, and though their vision of being heroes of justice may have faded, they'd still do anything for each other - which is why Riki is now on two special missions. The not-so-secret one: recruiting for a baseball team. The other mission, though, that's the strange one. Riki and Rin are receiving odd messages concerning the existence of a "secret world" and assigning them tasks they have to complete. Were their youthful dreams of being crusaders not so fanciful after all? Or is there something even more vital at stake?

LOVELY COMPLEX

Koizumi's just started high school, and she's got a little problem: for a girl, she's super tall! Meanwhile, her classmate Otani's got a big problem: he's virtually a midget, but still wants to join the basketball team. Written off as a bickering comedy duo by their teachers and classmates, the pair can't decide who's less likely to find love before graduating, and ultimately bet each other on who'll actually land a mate first. As the months progress, Koizumi starts seeing Otani in a new light: sure he's fun to hang out with and shares her love of all things Sea Mon, but maybe - just maybe - they might end up being more than friends.

RUIN EXPLORERS
Ancient curses, enchanted artifacts and dungeon diving: that’s what Fam and Irie do for a living – whenever these lovely young ladies can get paid for it, that is. As two highly trained magic users, they’re off on a quest for the “Ultimate Power.” All they have to do is find three artifacts. So how hard can it be? Unfortunately, Sorceress Rasha and her muscle-headed partner Migel are on the same quest, as are the mysterious Prince Lyle, the anything-for-a-buck merchant Galulf with his dog Gil, and the sinister magician Rugudoroi!

SANKAREA: UNDYING LOVE
Zombie-obsessed Fuyuya is making a potion to reanimate his dead cat when he meets Rea. She’s about as miserable as a girl can get, thanks to her creepy, domineering father. When the plan becomes too much, she tries to commit suicide with a sip of Fuyuya’s weird elixir. The potion doesn’t kill her – but it does turn her into a zombie. Now that Rea’s undead and ready to finally live, she hides out with Fuyuya, who’s always dreamed of having a zombie girlfriend. Their one-of-a-kind relationship comes with some challenges, like the fact that Rea is decomposing. Even worse, her freak-show dad is dangerously determined to get her back under his control. As Fuyuya fights to keep his girlfriend safe, Rea finds the secret to restoring her happiness: live like you’re dying – even if you’re already dead.

Hyung-do goes to the office every day, but isn't thrilled with the cubicles, the politics, his co-workers, or the management. His job is murder. Literally. At this company, death is all in a day's work. Hyung-do is a corporate assassin. He's one of the best, and a loyal employee. But when his new trainee gets killed, he feels an obligation to care for the kid's family. Now, Hyung-do wants out of the cutthroat rat race to start a new life, but his colleagues have different plans.

FREQUENTLY ASKED QUESTIONS

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL, 7+, 10+

Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuf does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited / Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to license a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Viridian Collection," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower

prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our online store or feel free to contact Customer Care.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our online store.

Omnibus Editions

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

Print on Demand (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuf Print on Demand program and are printed to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Depending on the manufacturer, they may or may not feature artwork on the top of the discs.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a device capable of playing a Blu-ray disc.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia, New Zealand, Mexico, the Caribbean and South America
- 5 India, Africa, Russia and former USSR countries
- 6 China

Blu-ray Region Codes:

- A The Americas, Korea, Japan and Southeast Asia
- B Europe, the Middle East, Africa, Australia and New Zealand
- C Russia, India, China and the rest of world

GENERAL

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 3.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your new address so that we can update your membership information.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our online store, so if you're looking for a particular item, please check our online store or contact Customer Care.

Why don't you have (title here) audio soundtrack from Japan?

See the previous question. You also might want to check our online store, since some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

Can I special order items that are not on the online store?

Simply put: if it isn't on our online store, we can't get it at the moment.

Do you carry adult products?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you have ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request to:

ORDER FORM INFORMATION

CUSTOMER CARE

How can I contact you?

Our friendly Customer Care representatives can be reached by phone from 8AM to 5PM Central Standard Time (CST), Monday through Friday:

By Phone: **1-800-338-6827**

You can also contact us day or night, 7 days a week, online:

On the Web: **www.rightstuf.com**

By Email: **info@rightstuf.com**

Please do not email your credit card information.

You can also contact us by the traditional methods:

By Mail: **Right Stuf**
512 NE Main St.
Grimes, IA 50111-0680

By Fax: **(515) 986-1129**
(Please use FINE mode)

If I move, should I inform you?

Certainly a good idea, especially if you want to keep getting stuff from us. Just call our friendly Customer Care representatives who will be happy to update your information.

Can I get a new order form?

You can give us the information on the form or on any scrap of paper. As long as we can read it, you're fine. You can also print copies of it at:
www.rightstuf.com/orderform

How can I check on my order?

If you placed your order through our online store, you can check your order status when you log in. Otherwise, simply call our friendly Customer Care representatives at 1-800-338-6827 or email us at **info@rightstuf.com**

Will I get your next catalog?

If you've ordered something from us in the last 6 months, you will automatically receive the new catalog when it is shipped. If not, you may find that you'll stop receiving catalogs, and you will have to send us the current catalog fee to reactivate.

Why do you charge for your catalog?

In order to keep producing a printed catalog, we have to charge a small fee for it. However, you can get your money back by using the \$4-off coupon on page 2!

Can I opt out of receiving your printed catalog?

Absolutely! Please call or email our friendly Customer Care representatives and they will be able to assist you.

Privacy Policy

Right Stuf does not sell or share any personal information you may provide. This information is collected only to contact you should a problem arise with your order.

COUPONS

Can I use my coupons online?

Yes, you can. Simply use the coupon code that is on your coupon when you place your online order.

How many coupons can I use?

You can only use one coupon per order, and some coupons can only be used one time per customer. Some coupons can also only be used through our online store. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the coupon restrictions to see if it can be applied to your order.

MAIL-IN ORDERS

I want to your online store to order, but I don't have a credit card. Help!

Should you prefer to use the online store to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, make

sure to choose the "faxed or mailed order" option. This will generate a printed form with everything already added up for you (no more calculators!). Just print this form and mail it in with your payment.

Although you can use the online store to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Online coupons are not valid on mail-in orders.

Why do you hold my order for 12 days when I pay by check?

Even with all this cool technology, checks can still require at least 12 days to clear.

What's this NSF charge?

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have bounced a check, all future orders must be paid for by either credit card or money order.

Do I need to add sales tax?

Only if you're shipping to an Iowa address.

PAYMENT METHODS

Do you take VISA / MasterCard / Discover / American Express?

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards. If you're paying by credit card, we may contact you to obtain additional details for security purposes. Shipment may be delayed until we have received the information necessary to complete your order.

If I order using a credit card, when do you charge it?

Credit cards (by law in our state, actually) get charged only when the product actually ships.

Can I pay by check / money order / COD?

We accept domestic (U.S.) checks and money orders in U.S. funds. Please make all checks/money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

Can I pay with my PayPal account?

Sorry, we do not accept PayPal at this time.

SHIPPING CHARGES

If you are shipping to a U.S. address and your order exceeds \$49 (before freight), then economy shipping is FREE!

Shipping Options

Economy: 4-14 Days.

\$3.49 for first item + \$1 each additional item.

Expedited: 2-5 Days.

\$6.49 for first item + \$1 each additional item.

How much is shipping for box sets?

Box sets are considered a single item for shipping purposes.

I'm not at home during the day. Can you ship to my office?

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. We require that you include the business' name in the address so your delivery person can get your package to you. If your package is returned to us, we will charge you an additional shipment fee to reship it.

SHIPPING TIME

Can I get a shipment confirmation sent to me?

Shipping confirmations are sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

How long will it take to ship my order?

From the time we receive your order, standard processing time is 1-2 days if all of the items on your order are in stock. If some of the items on your order

are backordered, it takes an average of 10-14 business days for us to receive these items from the manufacturer and this may cause a delay in the shipment of your order. Once all of your items are in stock, your order will be shipped via your selected shipment method.

How long will an item be out of stock?

With a few exceptions, item delays can be measured in days. There are some freak delays, but 10-14 business days is pretty typical. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the manufacturer or the Japanese vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

I chose expedited shipping when placing my order, but it took 2 weeks to arrive. Why?

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery when we receive it from the manufacturer.

Do you do split shipments?

We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using economy shipping will receive partial shipments. Due to increased transportation costs, orders shipping by expedited shipping may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting Customer Care.

RETURNING MERCHANDISE

When I got my item, it was defective. What can I do?

If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace it. Unopened DVDs and Blu-ray discs can be returned for Right Stuf store credit (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 90 days (120 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Care at 1-800-338-6827, or utilize our online return request form at: **www.rightstuf.com/requestform**

Products returned without a return authorization number, or those over 90 days (120 days for Got Anime members) past the invoice date, will be returned to the customer at our option.

Do I have to pay shipping to return a product?

Yes, but we will pay the shipping to send the replacement back to you. We suggest using the least expensive shipping method available that can be tracked. If you have accidentally been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

The packaging said it would include (special item), but mine doesn't have it!

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes the manufacturers do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. Should the item not be included, we suggest that you contact the manufacturer directly.

07-GHOST

All Teito Klein wants is to forget his murky past as an orphan and slave and to graduate from Barsburg's military academy with his best friend Mikage. But when an overheard state secret triggers treasonous memories, he's forced to flee from the very empire he once sought to defend. Teito escapes to the Barsburg Church. There, with the help of his three bishops, he begins to unravel his role in the story of an evil god, seven ghosts, two rival empires, and his own mysterious past.

CENTAUR'S LIFE

Himeno is a sweet, shy girl, who, like many teens her age, struggles with the trials and tribulations of attending high

school. The difference is she's a centaur - but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends - the dragon-winged Nozomi and Kyoko with her spiraled horns - are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting.

SWEET REIN

I have a terrible weakness for manga that are cute, sweet, and funny, and in that regard Sweet Rein might as well be kryptonite. From the author of Land of the Blindfolded comes a story about lonely Santas, devoted reindeer, and the meaning and strength of connection that makes me smile just thinking about it. The tone is reminiscent of Natsume's Book of Friends' more light-hearted episodes, and the summer 'let's all visit the beach!' chapters are absolutely priceless.

MAYO CHIKI!

Kinjro Sakamachi is a "normal" seventeen-year-old boy who happens to suffer from an abnormal fear of women, otherwise known as gynophobia. A fateful visit to the school bathroom turns Kinjro's world upside down, as he discovers the dashing and popular Konoe Subaru is actually a girl! What's worse, the principal's cruel and domineering daughter, Kanade Suzutsuki, has every reason to keep this secret from leaking out, and makes it her life's work to torment Kinjro while attempting to cure his fear.

MELANCHOLY OF HARUHI SUZUMIYA ORIGINAL SERIES

Kyon is your ordinary high school freshman who has long given up on his childhood dreams of encountering the fantastic and supernatural... or so he thought. From the very first day of school, his classmate - the beautiful but eccentric Haruhi Suzumiy - makes it very clear that her only desire is to meet aliens, time travelers, and psychics! A chance conversation between the two inspires Haruhi to form the SOS Brigade, a school club created for the sole purpose of getting these supernatural beings together - if she can find any.

MONSTER MUSUME

Three years ago, the world learned that all manners of fabulous creatures are not merely fiction; they're real. Thanks to the "Cultural Exchange Between Species Act," these once-mythical creatures have assimilated into society, or at least, they're trying. When a hapless Kurusu Kimihito is inducted as a "volunteer" into the government exchange program, his world is turned upside down. A snake-like lamia named Misa comes to live with him, and it is Kurusu's job to make sure she integrates into his everyday life. Unfortunately for him, she's undeniably sexy, and the law against interspecies breeding is very strict. Even worse, when a ravishing centaur girl and a flirtatious hary move in, do what's a full-blooded teenage human with raging hormones to do?

TROPIC OF THE SEA

Yosuke's family has a strange tradition: once every sixty years they receive an egg from a mermaid. When the egg matures his family dutifully returns it to the sea, where the whole process repeats. In exchange for this favor, the mer-people bless his coastal town with bountiful fish and calm seas. But a commercial development encroaches on the sleepy seaside village and Yosuke's father is lured away from tradition towards modern property, turning the egg into a tourist trap. What will happen to the promise their family made to the mermaids?

UZUMAKI

Kurozu-cho, a small fog-bound town on the coast of Japan, is cursed. According to Shuichi Saito, the withdrawn boyfriend of Kirie Goshima, their town is haunted not by a person or being but by a pattern: uzumaki, the spiral, the hypnotic secret shape of the world. It manifests itself in everything from seashells and whirlpools in water to the spiral marks on people's bodies, the insane obsessions of Shuichi's father and the voice from the cochlea in our inner ear. As the madness spreads, the inhabitants of Kurozu-cho are pulled ever deeper into a whirlpool from which there is no return!

BOOK GIRL

For Tohko Amano, self-styled "book girl," being the head of the literary club is more than just an extracurricular activity. It's her bread and butter... literally! Tohko is actually a literature-gobbling demon who can be found at all hours of the day munching on torn-out pages. For Tohko, the real delicacies are hand-written stories, but when a student comes knocking on the literary club door for advice on writing love letters, will Tohko discover a new kind of delicacy?

SPICE AND WOLF

The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and wares, the peddler has settled into his routine - that is, until he finds wolf-goddess Holo asleep in his cart. Holo strikes up a bargain with the merchant to increase his profits in exchange for taking her along on his travels. Lawrence soon learns, however, that having a goddess as a traveling companion can be a bit of a mixed blessing.
